

# Another Brick in the Wall

## Pink Floyd

We \_\_\_\_\_ no education\*

We \_\_\_\_\_ no \_\_\_\_\_ control

No dark sarcasm in the \_\_\_\_\_

Teacher, \_\_\_\_\_ those kids \_\_\_\_\_

Hey, Teacher, \_\_\_\_\_ those kids \_\_\_\_\_

All in all it's just \_\_\_\_\_ in the wall

\_\_\_\_\_ in all \_\_\_\_\_ just another \_\_\_\_\_ in the \_\_\_\_\_

\*This is incorrect English since there is never a double negative. The correct form is either: "We don't need any education" or "We need no education".
