

In Europe and America there's a growing feeling of hysteria
 Conditioned to respond to all the threats
 In the rhetorical speeches of the Soviets
 Mr. Krushchev said, "We will bury you."
 I don't subscribe to this point of view
 It would be such an ignorant thing to do
 If the Russians love their children too
 How can I save my little boy
 From Oppenheimer's deadly toy?
 There's no monopoly of common sense
 On either side of the political fence
 We share the same biology regardless of ideology
 Believe me when I say to you
 I hope the Russians love their children too
 There is no historical precedent
 To put the words in the mouth of the President
 There's no such thing as a winnable war
 It's a lie we don't believe anymore
 Mr. Reagan says, "We will protect you"
 I don't subscribe to this point of view
 Believe me when I say to you
 I hope the Russians love their children too
 We share the same biology regardless of ideology
 Believe me when I say to you
 I hope the Russians love their children too

"Teachers"**A Parody (with our heartfelt apologies to Sting whom we adore!)**

In the Barbillon lecture hall
 There's a growing feeling of hysteria
 Conditioned to respond to a feat
 All the tests were corrected by Mr. Nikolovski
 Mr. Reydet said, "Work is good for you!"
 I don't subscribe to this point of view
 It would be such an ignorant thing to do
 If the teachers love their students too

How can I get a better mark
 If I cannot do what the teacher likes ?
 There's no monopoly of intelligence
 On either side of the learning fence
 We share the same biology, regardless of ideology
 Believe me when I say to you
 I hope the teachers love their students too

For us there is no precedent
 Listen to the words of the CPPG President
 "There's no such thing as an *easy* grade"
 It's a thing we don't believe anymore
 Mr. Ladet says, "Work is good for you!"
 I don't subscribe to this point of view
 Believe me when I say to you
 I hope the teachers love their students too

We share the same biology, regardless of ideology
 Believe me when I say to you
 I hope the teachers love their students too
